Hello. My name is Melissa. I am thirty-five years old. I live with my husband. We live in a small block of flats in the centre of Liverpool. Anyway, I get up at 6 on weekdays. At first, my alarm clock rings at 5.50. Then I get out of bed. I go to bathroom and I take a shower. I wash my face and teeth and I dry myself with a towel. After that, I comb my hair and get dressed. I usually wear a pair of jeans with a blouse at work. My husband prepares my breakfast at quarter past 6. I usually eat a hot sandwich or scrambled eggs for breakfast. I also drink my white coffee. At half past seven, I get on the bus and I go to work. I start work at eight. I am a secretary and I do a lot of paperwork. I do administration, answer telephones and write a lot of emails. I have a lunch break at 12 o'clock. Then I eat some soup and fried meat with vegetables at the canteen. I usually have a meeting in the afternoon. I finish work at half past 4. I go home by tram. In the evening, I read a good romantic book or watch a funny comedy. I have dinner at half past seven. I eat some cold meat for dinner. I take a shower and wash teeth at 10 o'clock. I go to bed at 10.15.
